

On-line Workshop HIDDEN COMPETENCES

Did you spend part of your studies abroad or maybe you just like to travel? Have you hosted guests from abroad? Do you follow foreign media?

At the workshop taking place during EUTOPIA WEEK, we will talk about:

- the **competencies you have gained through international experience**
- how to **identify them**
- how to **present them to employers**

Workshop is scheduled on 24th of November 2020 from 1:30 pm to 3:30 pm (CET).

Hurry and join! The number of attendees is limited.

We acquire competences in many ways, sometimes even without realising it. To keep as few competencies as possible hidden from the employer when you apply for a job, you are invited to join us at the workshop.

Remember, we can also gain international experience at home!

Be sure not to miss interesting discussions and workshops held during **EUTOPIA WEEK**. The EUTOPIA partners will present exciting new initiatives for pan-European student mobility and research collaboration, share ideas on how to benefit our local communities, and tackle issues such as how to make higher education more inclusive.
