TRANSPORT IN LJUBLJANA

Since Ljubljana is a very small city there is probably no need in arranging the ticket for the city transport. However, if you would like to take some time to visit the broader Ljubljana please buy a so called URBANA card, which is used for the public bus system. You should buy the yellow card which is then charged with a particular sum of money. One trip costs 1,3 € and is valid for one and a half hour. You can buy the card at any newspaper stand.

FACULTY OF MEDICINE - MAP
